

# S Frigidity

## Activity

Adaptogenic

Antiarteriosclerotic

Antiaggregant

Antiatherogenic

Antiatheromic

Antiatherosclerotic

Antiatherotic

Antifrigidity

Antiimpotence

Antiischemic

Aphrodisiac

Arginine-Generating

Arginine-Rich

Boron-Rich

Increase Boron Bioavailability

cGMP-genic

cGMP-Sparing

Cantharic

Circulatory-Stimulant

CNS-Stimulant

Dopaminergic

Estrogenic

Genital-Stimulant

Hypertensive

NO-Genic

NO-Sparing

Phosphodiesterase-Inhibitor

Testosterogenic

Testosterone-Inducer

Tyrosine-Hydroxylase-Activator

Vasodilator

Increase Tyrosine Hydroxylase Activity
